Gasoline News

Did You Know That Jimmy Murphy

had American air from an American health resort compressed in air bottles and shipped to France to inflate his tires with, but he also took over Richfield gasoline and came back the winner of the Grand Prix de France, an international classic contested by the best cars and equipment the World has yet produced. Well, Lomita is some health resort, too. Drive in and let us inflate your tires and fill your tank with either Richfield or Propello Gasoline.
